SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

The due date for receipt of proposals has been extended to 08 May 2012 as reflected in this amendment. A conformed Solicitation N00039-12-R-0003 thru Amendment 0003 will be posted with this amendment.

SECTION L - INSTRUCTIONS, CONDITIONS AND NOTICES TO BIDDERS

In clause L-317 – SUBMISSION OF PROPOSALS (COMPLEX) (JUL 1999), paragraphs 1.2; 3.0(x); 5.4.2.1 and 5.4.3 have been revised as follows:

1.2 TIME & DATE FOR RECEIPT OF PROPOSALS, the paragraph is revised to read as follows:

The time and date for receipt of proposals is 12:00 pm, 08 May 2012, in accordance with paragraph 1.7 within this provision. Submissions are subject to the late proposal provisions of FAR 52.215-1, Instructions to Offerors-Competitive Acquisition. All times are local time in San Diego, California.

3.0 VOLUME I – CONTRACT DOCUMENTS., (x) Section J, the first paragraph is revised to read as follows:

(x) Section J: Small Business Subcontracting Plan. Offerors, unless otherwise exempt, due to being small business concern or a company performing outside of any State, territory, or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico, shall, in accordance with FAR 19.7 and FAR 52.219-9, submit a Small Business Subcontracting Plan, as part of Volume I. Failure to submit and negotiate a subcontracting plan acceptable to the Contracting Officer shall make the offer ineligible for award of a contract.

5.4.2.1 Attachment 6-1 Cost Element CLIN Traceability Breakout, the third paragraph is revised to read as follows:

The cost breakdown shall indicate the Offeror's total proposed cost (broken down by labor hours, rates, and dollars; material dollars, Other Direct Cost (ODC) dollars, and subcontract dollars) including applicable overheads, indirect rates and dollars, General and Administrative (G&A), Facilities Capital Cost of Monies (FCCM), and fee. Any Major Subcontractor's (see Section 5.4.3 Major Subcontractors Requirements for the definition of a major subcontractor) shall be provided in complete detail with cost breakout. Any information submitted must support the costs proposed. Include sufficient detail or cross references to clearly establish the relationship of the information provided to the cost proposed. Support any information provided by explanations or supporting rationale, as needed, to permit the Contracting Officer and authorized representatives to evaluate the documentation.

5.4.3 Major Subcontractors Requirements, the second paragraph is revised to read as follows:

For purposes of the Cost Volume, a "major" subcontractor shall be defined as a subcontractor, at any tier, whose price with fee makes up at least 5% of the respective CLIN's estimated cost without the prime's fee or whose contribution is considered medium risk or higher by the managing tier (prime or next-higher-level subcontractor). However, if the Offeror has a firm fixed price contract with the respective major subcontractor and the level of information required within the cost template (Attachment 6) is not available, the Offeror may exclude the detailed information required in the Attachments and provide alternative substantiation to demonstrate the realism and/or reasonableness of the subcontractor's proposed cost/price. In cases where alternative substantiation is used, the Offeror shall provide a narrative explanation and justification for doing so.
