SPAWAR Global C4ISR Installation Contract Industry Day

LOCATION: Space & Naval Warfare Systems Center Pacific (SSC Pacific)
Topside, Conference Center

DATE: Tuesday, 1 December 2009 from 0900-1200 PST

PARTICIPATION: Attendance is limited to three (3) team members per company.

CLEARANCES:

Visit requests are required for this meeting. POC information should be annotated as: Michael Chi, SPAWAR Code 4.2, phone (619) 619.524.7697. There are two ways in which to forward your clearance:

- The preferred method of submitting security clearance is via JPAS. The JPAS SMO Code is 660015.

or

- Fax a visit request to: Commander, SPAWARSSYSCOM, POC: Michael Chi, SPAWAR Code 5.0. 4301 Pacific Highway, San Diego CA 92110. Fax number: (619) 553-6169.

Following these procedures will greatly facilitate your check in process. It is imperative that clearances or a visit request are received by **Monday, 23 November 2009** to ensure the Security Office has ample time to process requests.

CHECK IN:

Check in will be at SSC Pacific Topside, Bldg 27, Pass & Decal Office. Bldg 27 is located at the intersection of Catalina Blvd. and Electron Dr. Badges will be issued inside the Pass and Decal Bldg (Bldg 27).

DRIVING DIRECTIONS:

We would like you to arrive at SSC Pacific, Topside, Bldg 27, Pass & Decal. (Please reference the left-hand side of the first attached map for the "Topside" location.) You will be traveling South on Catalina Blvd. Please turn left on Electron Drive (traffic light) and then right into the visitor parking lot. Badges will be issued inside the Pass and Decal Bldg (Bldg 27). After picking up your badge, turn right out of the parking lot and proceed to the Guard and he will allow you access onto the base. Continue straight, turning a slight right onto Silvergate. Parking information below.

(IMPORTANT NOTE: In locating our facility, if you want to use a GPS device, please use this address --
5356 Hull Street, San Diego, CA 92152.

If you want to use a map search engine, please use this address –
