**SECTION M  
EVALUATION FACTORS FOR AWARD**

**M-302 EVALUATION OF OFFERS (SINGLE AWARD FOR ALL ITEMS) (DEC 1999)**

An offeror must quote on all items in this solicitation to be eligible for award. The Government intends to make a single award to the acceptable offeror whose total offer on all items is the most advantageous to the Government considering price and other factors, if any, specified in the schedule.

**M-304 AWARD (LOWEST PRICE, TECHNICALLY ACCEPTABLE) (DEC 1999)**

Award of the contract resulting from this solicitation will be made to the offeror whose proposal is technically acceptable and the lowest price.

**M-313 EVALUATION FACTORS LISTED (FIXED PRICE CONTRACTS) (MAR 1999) (DEVIATION)**

1. This solicitation will be accomplished using Source Selection procedures for award of a contract on the basis of lowest-priced technically acceptable proposal in accordance with Federal Acquisition Regulations 15.101-2. Interested firms are expected to review the RFP, provide proposed prices for the project, and provide proposal information requested to evaluate their technical qualifications.

2. The Government reserves the right to reject any or all proposals at anytime prior to award. The Government intends to award based on initial proposals without holding discussions. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer as necessary. Accordingly, each initial offer should contain the offeror's best terms from a technical and price standpoint. Proposers should not assume that they would be contacted or afforded an opportunity to qualify, discuss, or revise their proposals. Initial award will be made to the Offeror whose offer, conforming to the RFP, is determined to provide the **technically acceptable, low price** to the Government.

**3. EVALUATION FACTORS:**

(a) In accordance with FAR 15.304, the evaluation factors that apply to this acquisition are as follow:

**Factor 1: Technical** - The technical proposal must give clear, detailed information sufficient to enable evaluation based on the factors listed below:

**Sign-off Sheet** - Offerors are required to have at least two years of recent (since 1995) experience in manufacturing complex fiberglass reinforced plastic shapes from molds and the mixing of hot viscous liquids in vacuum chambers including knowledge and experience with test equipment necessary to perform tests similar to those referenced in the fabrication and have a good understanding of the work involved with this contract. The Sign off Sheet will verify these requirements.

**Past Performance** - The offeror's past performance will be evaluated to assure a good record of customer satisfaction. The Government will evaluate the past performance data provided by offerors, and obtained from other sources, against the following criteria:

(1) **Quality of Product or Service** - Conformance to contract requirements, specifications and standards of good workmanship, satisfactory quality control, appropriateness of personnel for quality work;

(2) **Cost Control** – Costs controlled within negotiated rates, and accurate billings;

(3) **Schedule** - Timeliness of performance, met interim milestones, reliable, responsive to technical and contractual direction, completed on time, including wrap-up and contract administration;

(4) Business Conduct - Effective management, reasonable/cooperative behavior responsive to customer needs/contract requirements, prompt notification of problems, and clear/concise communications;

(5) Overall Customer Satisfaction - The product/services provided adequately met/exceeded the customer's requirement/expectation.

**Factor 2: Price** - Price evaluation will be a consideration for only those proposals evaluated as technically acceptable as a result of the technical evaluation process. Those proposals, which are determined to be technically unacceptable, will not be evaluated for price. Price proposals will be evaluated such that the lowest, responsible, reasonable proposal will be considered most favorable.

**ANY PROPOSAL WHICH DOES NOT MEET THE MINIMUM REQUIREMENT OF ANY ONE OR MORE OF THE ABOVE EVALUATION FACTOR CRITERIA, WILL NOT BE CONSIDERED FOR EVALUATION FOR AWARD.**
