

TECHNICAL QUESTIONS AND ANSWERS
 SOLICITATION N66001-04-R-0004
 MARKER ASSEMBLIES AND
 ACOUSTIC TRANSPONDER BOTTLES
PART 1

1	Q	Please let us know where we can find the drawing packages referred to in paragraph 7.0 Applicable Documents of the Statement of Work.
	A	<p>Bidders are required to acquire Government Specifications prior to submitting a proposal under this solicitation.</p> <p>To receive these specifications, bidders are required to fill out the "Specifications Request/Assertion", (which is one of the solicitation attachments) and submit it to the Contract Specialist, Betty Chu-Chang via e-mail at betty.chu-chang@navy.mil or via facsimile to 619-553-4464).</p> <p>Bidders will then receive, via certified mail, a compact disk containing the specifications in PDF format.</p>
2	Q	<p>a. What is the minimum lot quantity buys?</p> <p>b. What is the schedule delivery for these lots?</p> <p>c. Can progress payments be added to this contract for small businesses?</p> <p>d. Although you mentioned to me on the phone that you were not planning on extending the RFP due date, has this position changes since we spoke last? If so, we would like to request a two week extension in order to obtain firm prices on procured items?</p>
	A	<p>a. As identified on the Solicitation, Section B, Paragraph B-312, the contract minimum quantity is a total of <u>\$300,000.00</u> worth of orders at the contract unit price(s).</p> <p>b. See Amendment #0002.</p> <p>c. No.</p> <p>d. No. The proposal due date is December 12, 2003, 3:00 p.m., local time.</p>

3	Q	This is our first attempt to submit an electronic proposal. What is the procedure to submit an electronic proposal?
	A	The procedure is identified on the Solicitation, Section L, Paragraph L-349 - SUBMISSION OF ELECTRONIC PROPOSALS (MAR 2001).
4	Q	Is there a need for a hard copy of proposal?
	A	No. All offerors only need to submit an electronic proposal in accordance with the guideline under the Solicitation, Section L, Paragraph L-349.
