

Specifications Request/Assertion

Name of Company: _____

Cage Code of Company: _____

Phone # of Company: _____

Company POC Name: _____

Address to be delivered to (NO PO Boxes):

I assert (by signature below) that, **except as provided for herein**, neither I, nor my company, will make any copies of these requested specifications related to solicitation **N66001-04-R-0028**. **My company may make copies of portions of the specifications for the specific and limited purpose of soliciting quotations from selected United States suppliers. Copies that are made in this manner shall be numerically controlled by my company, limited in distribution to United States suppliers, and retrieved from those suppliers as soon as quotations are provided. Additionally, a list of any suppliers who received copies will be included with my proposal.** Furthermore, I assert that upon receiving notification of contract award, or upon the date of **April 15, 2004**, which comes first, I will retrieve, **as necessary, and** dispose of these specifications in a manner which would make it difficult for a third party to discover and/or reconstruct. I acknowledge that prior to receiving a copy of these specifications, I may be contacted by the Government to provide additional background information, including but not limited to references to my company's legitimate existence. I acknowledge that submission of this request does not guarantee that my company or I will receive a copy of the requested specifications.
